*Croatia, it is not only a country with rock, sun and sea. It is exceptional for its natural beauty and diversity, but also for its thousand-year cultural heritage and an ideal geographical position. It is a country with Mediterranean characteristics, where the harmony of nature, cultural and spiritual values stand out. The characteristics of Croatian beauty are blue and clear sea, golden sharp mountain peaks, waterfalls of Plitvice waterfalls, hills and valleys of Zagorje and Međimurje, red and black Baranja Istrian country, golden wheat fields of Slavonia and white Dalmatian cities to Dubrovnik.*

### **Why is Rogoznica THE HEART OF DALMATIA:**

- Rogoznica has more than 50 km long coastline and geographically is located exactly in the center of the Dalmatian coast
- the position of Rogoznica separates North and the South, which is extremely manifested in specific climatological behavior in the area of Rogoznica cape Planka, where we have a direct climate collision, winds and ocean currents, the fight of bora and the sirocco
- island is surrounded by land on all sides and is connected with bridge
- Rogoznica has the perfect location, excellent starting point for all excursions in the wider surrounding area (staying in Rogoznica you can do day trips to all of the most popular destinations, even Dubrovnik in the far south, as well as to the Plitvice National Park in the north)
- in addition to its excellent location it also represents the safest harbor in the Mediterranean
- beach in Rogoznica are gravel with a bit of rocks, each resort offers secluded beaches in small coves
- center of Rogoznica is located on an island where old stone houses are mostly retained, which makes an authentic Mediterranean atmosphere
- most of the island is covered with pine trees and is ideal for walking and other types of recreation

- climate is one of the most attractive tourist elements and Rogoznica has an average amount of 2600 sunny hours per year
- during the summer months, on average, there are only 4 to 7 rainy days
- Rogoznica has 6500 beds in private accommodation and a sufficient number of restaurants that can satisfy the tastes of every guest, especially fish lovers
- tourism in Rogoznica has a long tradition of existence since 1870's

## **WELCOME WORDS FROM MAYER OF MUNICIPALITY OF ROGOZNICA**

Dear competitors and guests, on behalf of the Municipality of Rogoznica I have to express satisfaction that Rogoznica is selected as host of the 8th World Championship Boat Angling Clubs. Rogoznica enjoys the status of one of the most beautiful places on the east coast and the sailors know it for more than three thousand years as a peaceful and safe harbour.

Today, Rogoznica is prestigious Mediterranean nautical center. Also, is one of the few destinations in the Adriatic where you can see crystal clear sea with beautiful natural beaches along its 50 km long coastline where the sun shines 2600 hours per year.

Historical, traditional values and a long fishing tradition makes Rogoznica ideal destination for sport events related to the sea. Previous experience in organizing various sports, cultural and entertainment events, we can say that Rogoznica qualified for a good host with great hospitality and rich gastronomic offer.

I'm glad that Rogoznica will be your host and with the desire that it remains in your memory and that you achieve your goals in the upcoming competition, wish you a hearty welcome.

## WELCOME WORDS FROM PREDSIDENT OF SFA "GOF"

It is my pleasure to wish you welcome, to our little fishing village in the heart of Dalmatia, on the 8th World Club Championship Boat Angling Clubs. Welcome to Rogoznica, a place for rest with all the benefits of sea, sun and mild climate. Sport anglers will be able to enjoy sport fishing because our underwater area is rich of flora and fauna.

This year our Sports Fishing Association celebrates 20 years of existence and we are honored to be hosts of the 8th World Championship.

Dear anglers, members of our Sport Fishing Association "GOF" prepared a quality program and will provide excellent conditions for angling. Also, we will also show you a part of our traditions and cultural heritage. I am sure that you will bring fond memories and wish some day to visit our lovely Rogoznica again.

### **DOBRODOŠLICA MARINE 'FRAPA'**

Dear participants and visitors of the 8th World Championship Boats Angling Clubs, it's great pleasure to warmly welcome you in the name of one of the most beautiful marinas in the Mediterranean.

We are glad that you are part of the competition which takes place in the waters of the Rogoznica in the period from May 09 to 16 2015. Also, we would like to say that we are very proud to be your hosts and that, as providers of accommodation and food services with its diverse offer, superior service and professional staff, we will make your stay more than pleasant. – said Franjo Pašalić, general manager of the Laguna trade d.o.o.

On this occasion I would like to congratulate the Association 'Gof', our longtime partner, because he organized a competition at the world level in Rogoznica. This event is considered as a great opportunity to promote the destination, but also an opportunity for business improvement and the common connection of commercial and public subjects. – says executive director Ana Kralj.

To all of you we want a good and successful sports scores and that your days spent in Rogoznica leave an unforgettable experience.

## MARINA 'FRAPA'

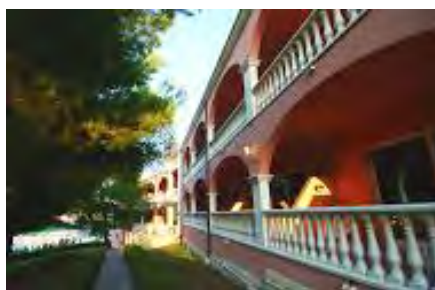

*Certainly one of the most beautiful and best equipped Marina in the Mediterranean, which is confirmed by numerous national and international awards for quality and expert guidance. Marina has the highest ecological standards in the world and therefore it is already 11 years the winner of the Blue Flag. Its located is in the central part of the Croatian coast, between Šibenik and Split, in a beautiful and from all sides protected bay. There are 10 piers and transit jetty in the complex, with 500 fully equipped berths and a guarded area for 150 dry berths. Vessels surveillance is 24 hours.*
