OFFICIAL COMMUNICATION FIPS-M

JANUARY 2015

Article 1.04. - Paragraph p - (page 9)

As a result of proposals not being accepted at the congress in San Marino (4th April 2014), the Technical commission of FIPS-m proposes the following text

Article 1.04. - Paragraph p - (page 9) New text

The organizer of a Championship offers a "package" to the nations, including all fees described in the statement of specifications.

If a Senior Championship and Youth Championship of the same discipline occur at the same place and on the same dates, the senior teams and the junior teams that booked the "package" should be accommodated, if possible, in the same hotel.

If that is not possible, all the senior teams must be together in one hotel and Junior teams together in another hotel.

Nations wishing to take the hotel and catering separately, must notify the organizers of their decision at least four months before the championship and do all booking procedures themselves.

For that kind of booking the organizer reserves the right to review the requested registration fee taking into account incompressible elements such as secretarial costs and other costs that will result from this situation.

The organizer may refuse this possibility of booking if specific events in his country on the grounds of safety if it could endanger the physical integrity of the competitors and coaches. He must inform the FIPS-M about these problems. In these circumstances FIPS-M will inform all its member federations about that specific situation.

These modifications have been accepted by the FIPS-M board on 13th November 2014.

This amendment will apply from 1st January 2015
