SURF-CASTING

MIMIZAN

**19 - 26 septembre
2020**

WELCOME BY THE PRESIDENT OF THE FRENCH FEDERATION

It is with great pleasure that I learned of the choice of the French Federation of Sport Fisheries-FFPS- to organize in 2020 the 37th World Championship of Seaside Fishing Seniors and the 28th World Championship of Women Seaside fishing.

I would like to warmly thank the FIPS / Mer Management Committee and especially its President Gilbert ZINGUERLE, as well as the FIPS / Mer Technical Commission for the trust they place in our Sports Fishing Federation.

The 2020 edition of these two big seaside sport fishing events will take place on the beautiful Landes beaches of MIMIZAN and LESPECIER.

I do not doubt for a moment that the Surf Casting Club of MIMIZAN will do everything to welcome in a friendly and in the best sporting conditions the different national delegations which will do us the honor of competing for world titles on our beaches 'Atlantique, especially since the President of the organizing club is none other than Patrick MORGA Vice-President of the French Federation of Sport Fisheries and President of the FFPS / Mer National Commission.

At this time of year our beaches in this sector are generally very full of fish and the fishing is productive, but as everyone knows, fishing is still fishing and you also have to rely on the state of the ocean and the weather.

I wish everyone a good stay in Aquitaine.

Jacques GOUPIL
National President FFPS

MIMIZAN - PLAGE

WELCOME BY THE PRESIDENT OF THE REGIONAL COMMITTEE

Welcome to Mimizan, one of the main places on the Aquitaine coast for the practice of surf casting. I am sure that you will take as much pleasure as me to throw your lines in the breakers which by incessantly unwinding attract all a fauna as varied as numerous.

Our fishing results improve every year, and on a nearby beach no less than 23 different species of fish were identified during a competition in summer 2019: record !!!

Of course the state of the sea and the weather will be of fundamental importance, but since September is generally very pleasant, let's be resolutely optimistic.

When you love your region, you want to discover its best sides, those who will make you love it as much as we do. It is a guarantee of success.

The Surf-Casting Club of Mimizan is the oldest sea fishing club in the region and Aquitaine counts in its ranks a lot of sport fishermen accustomed to big national or international competitions, no doubt that all their experience will offer you a stay at the height of the event. And then all will be carried by an interior force, that of Alain, their president disappeared in full preparation of his project ...

I can't wait to be there, may the best win and the party be great ...

Patrick LACAMPAGNE
Nouvelle Aquitaine President

WELCOME BY THE PRESIDENT OF THE ORGANIZING CLUB

The Surf Casting Club of Mimizan is entrusted for the second time with the organization of a World Championship.

It's a great honor for our club. This represents a very heavy task for his entire team.

The New Aquitaine Committee will be fully committed to our side in order to ensure the best organization.

We will obviously have a thought for Alain TAUZIA who has just left us, emblematic President, we will have at heart to pay him a beautiful tribute by a very perfect organization.

May the weather be with us!

May the sea be full of fish!

May the participants leave delighted with their stay on the Landes coast.

Patrick MORGA
President of SCC Mimizan

ESSENTIAL ANTI-DOPING ADVICE

Athletes are reminded if they take any medication they must check it against the WADA Prohibited Substance & Methods list.

Particular attention must be paid to the use of anti- hypertensive agents, especially diuretics, which are popular in singular preparation and/or in a combination with other normally permitted drugs.

Diuretics are always forbidden.

For these reasons, it is necessary for every athlete or National Federation to check the list for prohibited substances and process a TUE as necessary. The Therapeutic Use Exemption (TUE) must be granted before taking a prohibited medication.

An application for a TUE must be requested 30 days before taking part in the championships. The application forms must be filled in carefully with your physician/doctor who must authorise the application. A physician's certificate or prescription on its own does not mean that the athlete has permission to use the prohibited substance or method.

The application should be completed either in English or French and sent directly to the office of the CIPS President.
