

6° World Championship Shore Angling Masters 2023

Mazatlán, Sinaloa, México September 23 – 30

6° World Championship Shore Angling Masters 2023

The International Sea Fishing Federation, the Mexico's National Sportfishing Federation, and the Sinaloa State Association, in coordination with the government of Sinaloa, invite you to the 6th World Championship Shore Angling Masters. This tournament will be held in the city of Mazatlán, Sinaloa, on the majestic beaches of Sinaloa.

All world countries are invited to participate. This event is part of the International Sea Fishing Federation ranking world tournaments and will be a worthy competition for all sport fishermen.

We extend the invitation for you to represent your countries in this competition. It is important that they invite other countries to join at the International Sea Fishing Federation and participate in this sporting activity. There are more than 75 countries in the World sportfishing confederation that participate annually in the different event categories.

Please review the documents attached below for registration, competition rules, and event agenda. Our team of volunteers will make your participation unforgettable.

The Mexico Sportfishing federation and State Association of Sport Fishing of Sinaloa A.C. will welcome you and will be in charge, together with the state government, of the logistics and development of the event.

Participants will make their trip the most unforgettable surf-fishing experience. We want your stay to be pleasant; we will have at your disposal the best accommodation in the city with a unique location and, at the same time, a wonderful Mexican cuisine for you to enjoy
