Pat Walsh - President

Comhairle Contae Chorcaí
Cork County Council

Welcome Message from of Mayor of Cork

Welcome to Cork County, the largest and the southernmost county of Ireland. As of 2022 the county had a population of 581,231, making it the third-most populous county in Ireland and growing fast driven by an enviable lifestyle. This attracts a diverse population made up of young people, couples, retirees, families and seniors.

The south-west region, including West Cork, is one of Ireland's main tourist destinations, known for its rugged coast and megalithic monuments and as the starting point for the Wild Atlantic Way.

The county is known fondly as the "rebel county", however, in everything we do, we aim to set the standard and raise the bar. Our citizens are vibrant, active and engaged. People who live here care about each other, their environment and their future.

We would be honoured to welcome the participants of the 2024 World Seniors Boat Championships to Crosshaven, home of The Royal Cork yacht Club, the world's oldest yacht club founded in 1720. Also, organiser of the biennial Cork Week, widely regarded as Europe's premier sailing event.

A céad míle fáilte (Irish language for a hundred thousand welcomes) will be extended to participants, supporters, families and friends from the Irish Federation of Sea Anglers who will be hosting the event and from the local communities of Crosshaven and Carrigaline. We look forward to seeing our sea faring heroes of the future in action.

World Anti-Doping Agency

ESSENTIAL ANTI-DOPING ADVICE

Athletes are reminded if they take any medication, they must check it against the WADA Prohibited Substance & methods list.

Particular attention must be paid to the use of anti-hypertensive agents, especially diuretics, which are popular in singular preparation and/or in a combination with other normally permitted drugs. Diuretics are always forbidden.

For these reasons, it is necessary for every athlete or National federation to check the list for prohibited substances and process a TUE as necessary. The Therapeutic Use Exemption [TUE] must be granted before taking a prohibited medication.

An Application for a TUE must be requested 30 days before taking part in the championships. The application forms must be filled in Carefully with your physician/doctor who must authorise the application. A physician's certificate or prescription on its own does not mean that the athlete has permission to use the prohibited substance or method.

The application should be completed either in **ENGLISH OR FRENCH** and sent directly to the office of the CIPS President.

Email: office@cips-ips.com

Every athlete has a right to clean sport.
