WELCOME BY THE PRESIDENT OF THE FRENCH FEDERATION

It's with great pleasure that I was told the French Sportfishing Federation - FFPS - was chosen to organize the 31st World Championship of Seaside Fishing Clubs in 2024.

I insist on thanking the Executive Committee of FIPS/Seaside very warmly and specially its President Mr. Gilbert ZANGERLE, but also the Technical Committee of FIPS/Seaside, which trusts our Sportfishing Federation.

This 2024 great event will take place on the beautiful beaches from The Landes in Mimizan.

At this time of the year, our beaches in this area are usually abounding in fish, but everybody knows fishing remain uncertain; so fishing conditions, the ocean and the weather will be determining factors.

I have no doubt, the Surf Casting Club of Bias will take all possible steps to wellcome in the best competitive conditions the different foreign commissions, which will compete for the worldwide title on our Atlantic beaches. Whatever, Vincent LAFITTE, the President of the organizing club, is used to plan and achieve such great events.

Please enjoy your stay in Aquitaine and I wish you all the best competitive feelings...

Jacques GOUPIL
National President of FFPS

WELCOME BY THE PRESIDENT OF THE REGIONAL COMMITTEE

Welcome in Bias, one of the key places along the Aquitaine Coast to practice surfcasting. I am sure you will appreciate - as I do - casting your rods in the backwash rich in an abounding fauna.

Our results during fishing competitions are improving every year, as various species of fish are present.

Of course, the fishing conditions, the ocean and the weather will constitute essential points, but spring is usually pleasant in Mimizan, so let's remain optimistic.

When you love your native area, you want to promote its best assets, for all the people to love it too : it's the key to success.

The Surf Casting Club of Bias is one of the former clubs of surfcasting in the Aquitaine area. It gathers many trained fishermen used to taking place in national and worldwide championships, their experience will probably help you enjoying your stay.

We are looking forward starting this beautiful competition, may the best one win and enjoy the party...

Patrick LACAMPAGNE
President of Nouvelle Aquitaine region

LE WELCOME BY THE PRESIDENT OF THE ORGANIZING CLUB

The Surf Casting Club of Bias organizes a worldwide championship for the first time.

It's a great honour for our club but also a huge responsibility for all our staff.

The Committee from Nouvelle-Aquitaine will be totally involved with us, so that a perfect organization will be implemented.

We are eager to complete this championship successfully, with a thought to our elders, who dreamed of an organization such as this in the past.

May the weather be with us !

May the ocean be full of fish !

May the participants be delighted with their stay on The Landes Coast.

Vincent LAFITTE
President of SCC BIAS

ESSENTIAL ANTI-DOPING ADVICE

Athletes are reminded if they take any medication they must check it against the WADA Prohibited Substance & Methods list.

Particular attention must be paid to the use of anti- hypertensive agents, especially diuretics, which are popular in singular preparation and/or in a combination with other normally permitted drugs.

Diuretics are always forbidden.

For these reasons, it is necessary for every athlete or National Federation to check the list for prohibited substances and process a TUE as necessary. The Therapeutic Use Exemption (TUE) must be granted before taking a prohibited medication.

An application for a TUE must be requested 30 days before taking part in the championships. The application forms must be filled in carefully with your physician/doctor who must authorise the application. A physician's certificate or prescription on its own does not mean that the athlete has permission to use the prohibited substance or method.

The application should be completed either in English or French and sent directly to the office of the CIPS President.

Email: office@cips-fips.com

Every athlete has a right to clean sport
